Manufacture Discontinue Notice DCS Compact

Manufacture Discontinue Notice	
Last Time Order Date:	January 1, 2006
Last Time Ship Date:	January 1, 2006
Manufacture Discontinue (MD) Date:	January 1, 2006

Introduction

Samsung Telecommunications America would like to inform Authorized Dealers of the Discontinuation of the DCS Compact KSU system and components. Specific details of which part numbers are being discontinued are described in the table on the next page. Samsung strives to provide customers with affordable and powerful communications systems. The popularity and enhancements available on the iDCS and OfficeServ system platforms has drastically reduced the market for the DCS Compact which makes it impossible to economically manufacture the product.

Definition

Manufacture Discontinue Definition – This notice serves as formal communication of Samsung Telecommunications America's intent to Manufacture Discontinue (MD) the product(s) noted. **Should inventories of these products be available after the Manufacture Discontinue date, customer orders will be fulfilled until those inventories have been exhausted.** The MD of these products should not be interpreted as the discontinuance of any Samsung Telecommunications America agreements to support the existing population of DCS Compact product in the field. Technical Support, Parts and Services to existing installed product will continue to be provided for two years from the MD date.
